

EasyApache 4 Change Log 2019

2019-2-13
2019-2-6
2019-1-30
2019-1-16
2019-1-9

EasyApache 4 does **not** use versioning and organizes changes by date only.

Each entry contains the following information:

1. The package that we changed.
2. The case number for the change.
3. A description of the change.

For more information about our GitHub repository, read our [The EasyApache 4 Git Repository and Build Updates](#) documentation.

2019-2-13

- **scl-php72**
 - EA-8209 - EA4 PHP Update PHP to 7.2.15, drop 7.2.14
- **scl-php72-meta**
 - EA-8209 - EA4 PHP Update PHP to 7.2.15, drop 7.2.14
