

Change Language

This document is for a previous release of cPanel & WHM. To view our latest documentation, visit our [Home page](#).

For cPanel & WHM 11.46

([Home](#) >> [Preferences](#) >> [Change Language](#))

Overview

The *Change Language* interface allows you to change the language of your cPanel interface. If you need a new language, contact your hosting provider.

Change the default language

To change the default language of your cPanel interface, perform the following steps:

1. Select a language from the menu.
2. Click *Change*.
